AtliQ Hardware: Business Insights 360

Ad-Hoc Project Insights (April 2026) | Data Analytics Portfolio

Project Overview & Problem Statement.

- **Goal:** To answer 10 critical ad-hoc business requests using SQL and Power BI.
- **Need:** Management required faster, data-driven visibility into global performance.
- **Dataset:** Global sales, product, and customer data spanning multiple regions.

Company Background.

- **Global Presence:** Active in NA, LATAM, EU, and APAC.
- **Market Focus:** Extensive retail and direct-to-consumer channels.
- **Product Divisions:** P&A (Peripherals & Accessories), PC (Personal Computers), and N&S (Networking & Storage).

Tools & Methodology.

- **Data Extraction:** Used **MySQL** to query complex business logic.
- **Visualization:** Created dashboards in **Power BI** for executive-level reporting.
- **Data Model:** Fact and Dimension tables including dim_product, dim_customer, and fact_sales_monthly.

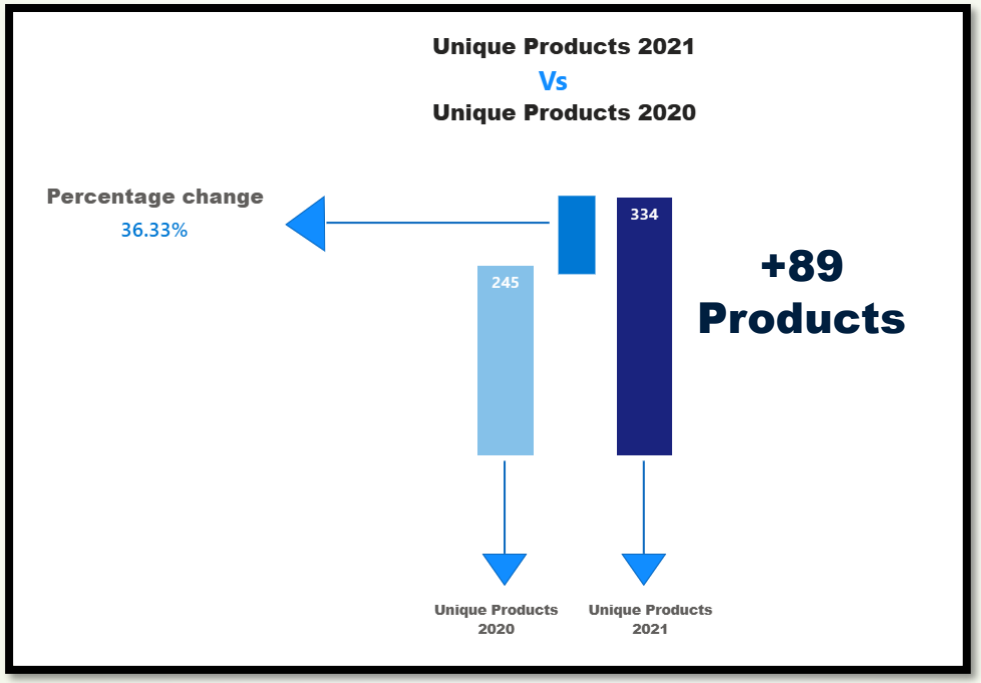
Request #1 (Market List for AtliQ Exclusive)

The Question: Provide a list of markets in which customer "AtliQ Exclusive" operates its business in the APAC region.

Insight: AtliQ Exclusive has a strong footprint in the APAC region, operating across 8 key markets including India, Australia, and Indonesia.

Request #2 (Unique Product Growth Analysis)

The Question: What is the percentage of unique product increase in 2021 vs. 2020?



Insight: The number of unique products increased by **36.33%** from 2020 to 2021, signaling strong portfolio expansion.

Request #3 (Unique Product Count by Segment)

The Question: Provide a report with all the unique product counts for each segment.

Segment	Product Count	Percentage %
Notebook	129	32.49%
Accessories	116	29.22%
Peripherals	84	21.16%
Desktop	32	8.06%
Storage	27	6.80%
Networking	9	2.27%
Total	**397**	**100.00%**

Insight: The **Accessories** and **Peripherals** segments lead the portfolio in variety, while **Networking** remains a niche category with fewer unique models.

Request #4 (Segment with Highest Increase)

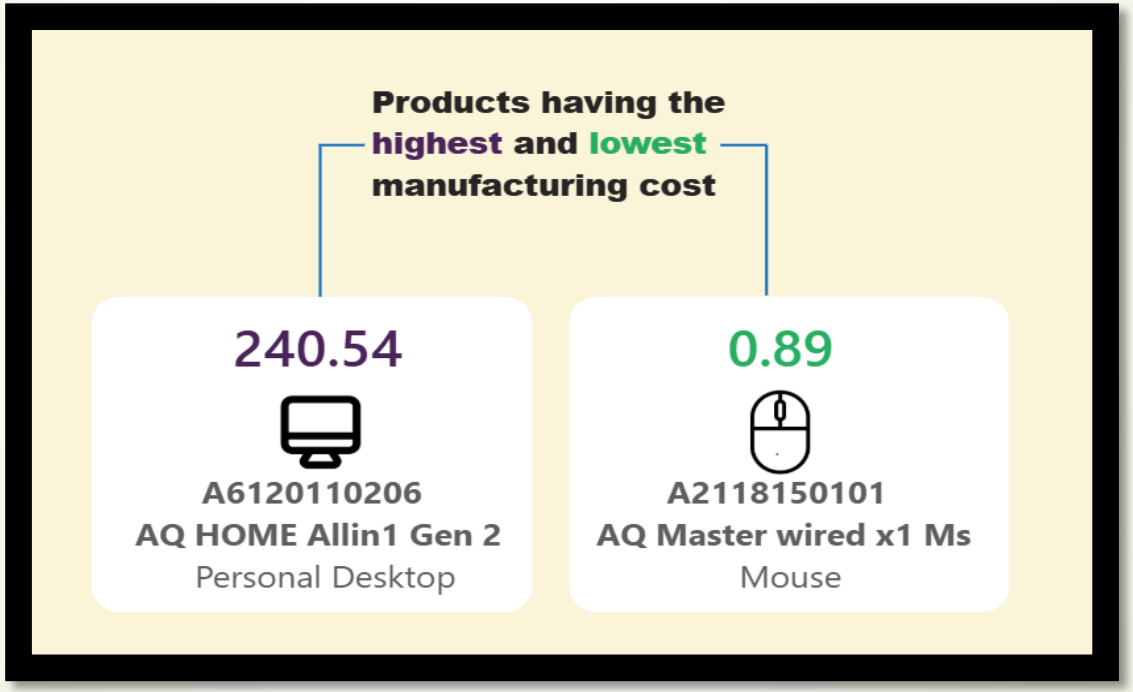
The Question: Which segment had the most increase in unique products in 2021 vs 2020?

Segment	2020	2021	Difference
Accessories	69	103	34
Notebook	92	108	16
Peripherals	59	75	16
Desktop	7	22	15
Storage	12	17	5
Networking	6	9	3
Total	**245**	**334**	**89**

Insight: "The **Accessories** segment saw the most aggressive expansion, adding 34 new unique products in 2021".

Request #5 (Highest & Lowest Manufacturing Costs)

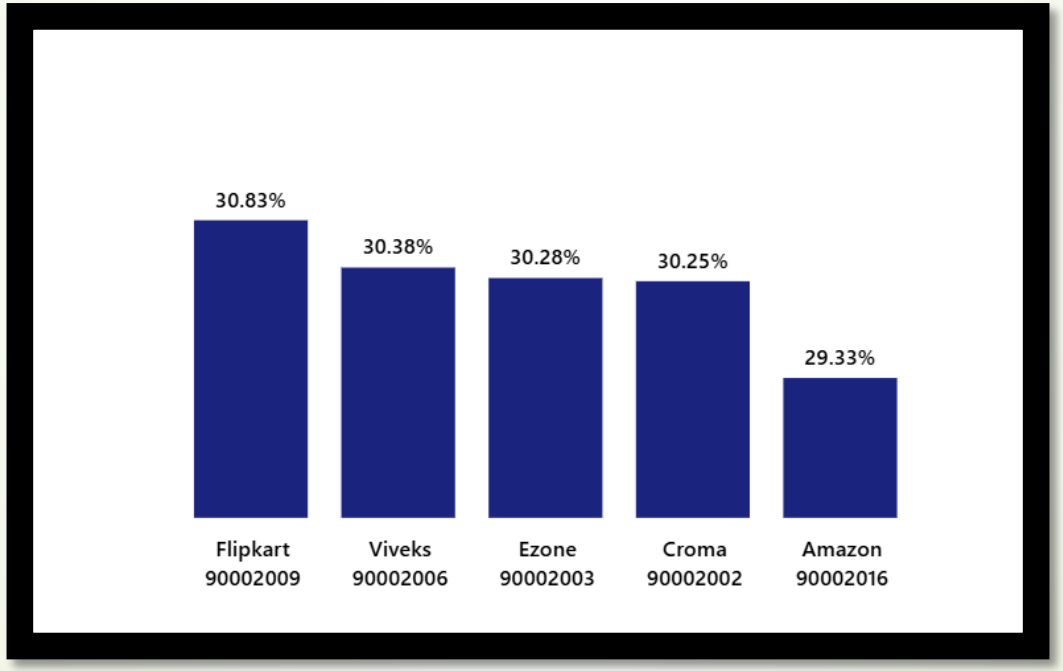
The Question: Get the products with the highest and lowest manufacturing costs.



Insight: The **AQ HOME Allin1 Gen 2** desktop is our most expensive product to manufacture (240.54), whereas the **AQ Master wired x1 Ms** mouse is the most cost-effective (0.89).

Request #6 (Top 5 Average Pre-Invoice Discount %)

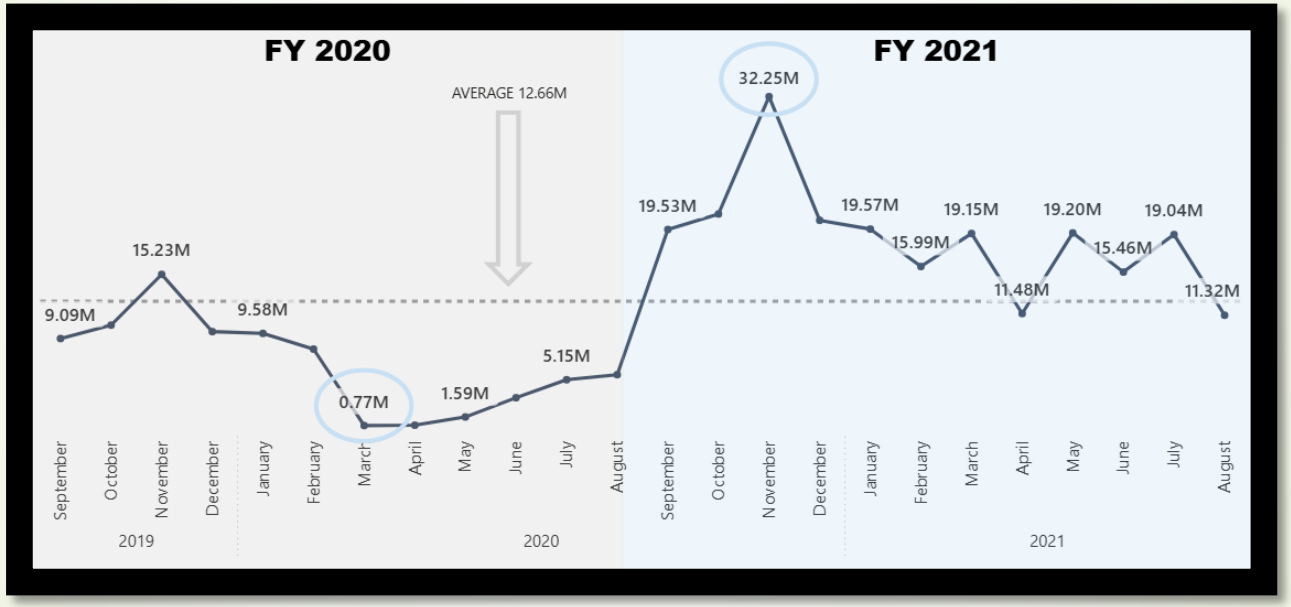
The Question: Generate a report which contains the top 5 customers who received an average high pre_invoice_discount_pct for the fiscal year 2021 and in the Indian market.



Insight: "Flipkart, Viveks, and Ezone received the highest pre-invoice discounts in the Indian market for FY 2021, reflecting strong bargaining power or high-volume partnership agreements".

Request #7 (Gross Sales Report for AtliQ Exclusive)

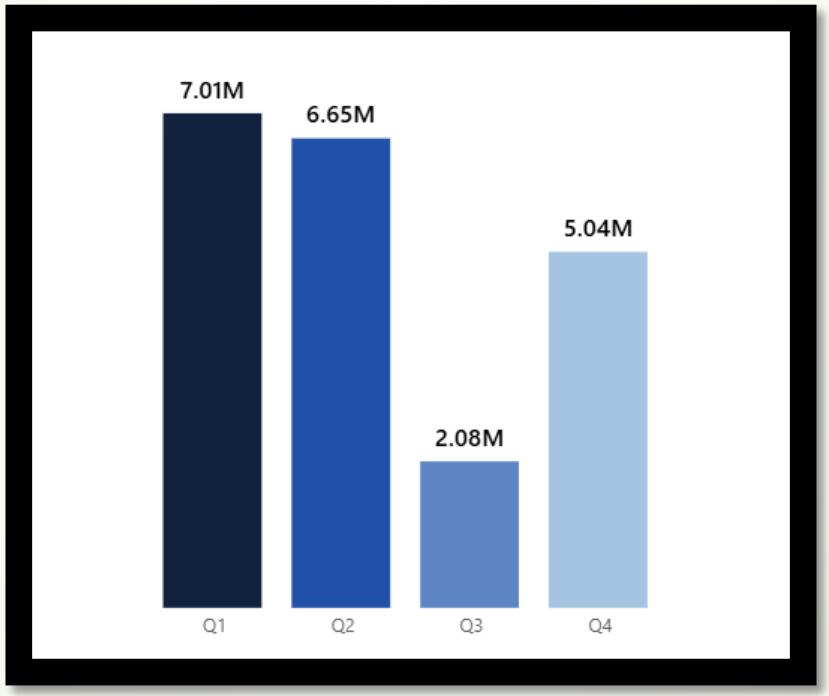
The Question: Get the complete report of the Gross sales amount for the customer "AtliQ Exclusive" for each month.



Insight: Sales peaked in November 2020, while the dip in March 2020 reflects broader global supply chain impacts.

Request #8 (Quarter with Maximum Sold Quantity)

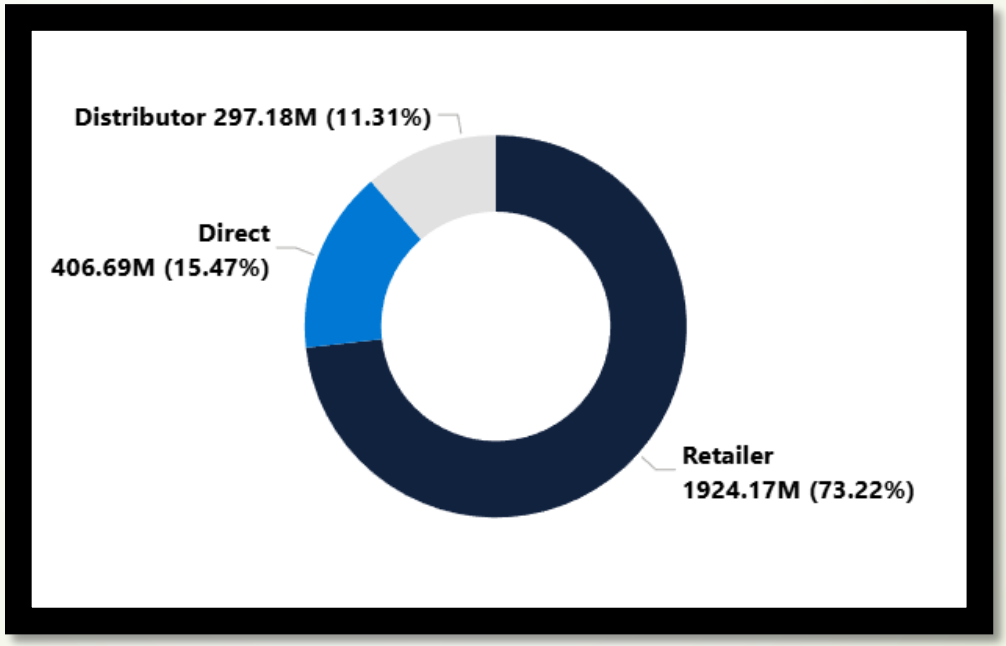
The Question: In which quarter of 2020, got the maximum total sold quantity?



Insight: Quarter 1 (Sept-Nov) of FY 2020 saw the highest sales volume, largely driven by the pre-holiday inventory push.

Request #9 (Channel-wise Gross Sales Contribution)

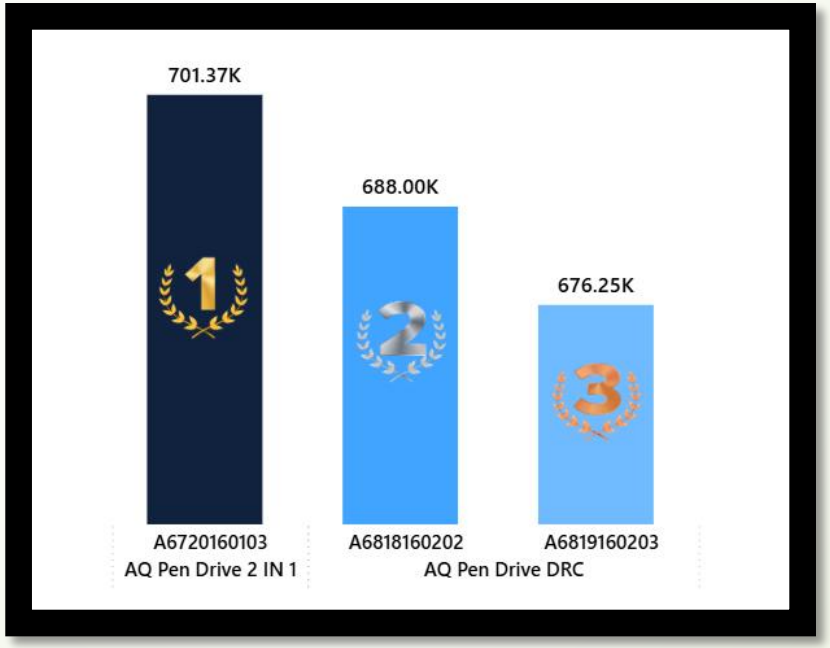
The Question: Which channel helped to bring more gross sales in the fiscal year 2021 and the percentage of contribution?



Insight: "The **Retailer** channel is the primary revenue driver, contributing over 73% of total gross sales, followed by Direct and Distributor channels".

Request #10 (Top 3 Products in Each Division)

The Question: Get the Top 3 products in each division that have a high total sold quantity in the fiscal year 2021.



Insight: "High-performance storage devices and notebooks led the sales charts, with the **AQ Pen Drive 2 IN 1** emerging as a top-seller in the Networking & Storage division

Strategic Suggestions

- **Targeted Growth:** Focus on the "Networking" segment, which shows lower volume compared to Peripherals.
- **Promotional Strategy:** Leverage high-performing retail channels for bundled product offers.
- **Cost Control:** Monitor manufacturing costs for high-end desktops to improve net margins.
